THE PROBLEM

POTENTIAL LEADERS FOR CHURCH & SOCIETY ARE LEAVING PALESTINE BECAUSE

- They find more educational opportunities abroad
- They are weary of violence, physical and economic injustice
- They undervalue the local impact of their presence

THE SOLUTION

BETHLEHEM BIBLE COLLEGE

- Serves as a lighthouse for Christians
- Raises Kingdom-minded leaders through biblical training in Arabic
- Fortifies belonging to church and homeland through Palestinian Christian Theology

THE IMPACT

TRAINED LEADERS LIVE THEIR FAITH IN THE MIDST OF HARDSHIP

- Church and society leaders accept the call to stay in Palestine
- "Brain drain" is curtailed and church and society are served
- Their commitment to their community encourages others to remain
